

## Tall Ships Fabrics

Width	Fabric	Warp x Fill Denier
54"	11.8	1000 x 1000
54"	12.8	1000 x 1300
54"	17.0	1000 x 2000

### Fabric Properties:

- Most Tall Ships require big, **1000 denier yarns** in the Warp direction for ultimate tear, UV, abrasion, and tensile strength. Highest tenacity 1W70 yarns provide exceptional strength.
- So tightly woven they can be finished without resin for very soft feel.
